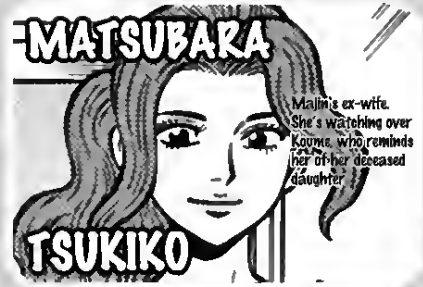
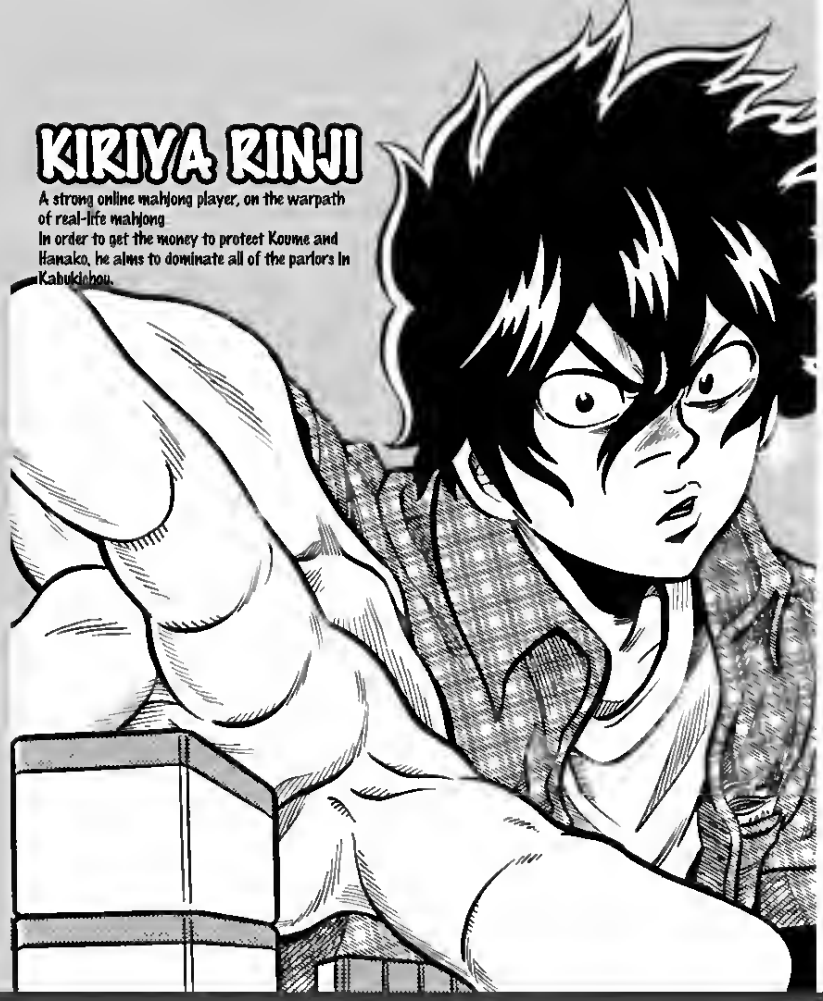
CHARACTER INTRODUCTION

HANAKO
Kiriji's ex-wife. She divorced him because he wouldn't stop playing online. She underwent brain surgery for her illness, but ended up in and continues to be in a comatose state for more than half a year now...





KIRIYA RINJI
A strong online mahjong player, on the warpath of real-life mahjong.
In order to get the money to protect Koume and Hanako, he aims to dominate all of the parlors in Kabukichou.

Summary

Kiriya Rinji dedicated himself to online mahjong, becoming good at it but at the same time neglecting his life and ending up getting divorced.
Having to pay the child support for his daughter, Koume, Kiriya Rinji sets out to play east-only games in Kabukichou. Employing his online skills and facing many adversities in the real-life version of the game, he has decided to keep walking the road he's headed down and feed himself in this way.
In the meantime, his hospitalized ex-wife, Hanako, fell into a coma. In order to pay for expensive treatment overseas, he has decided to pursue the lucrative job of e rep-player, and in order for him to even qualify, he aims to become the "Strongest Player in All of Kabukichou."
From the five highest rate Kabukichou parlors, he has dominated his home parlor "Kabuking," and is looking towards his second target, the "Lyndon Lyndon" parlor.
Trying to match their home rules too much, he was utterly crushed. After some special training in online mahjong, he's out for revenge.
With Kiriya showing his true strength, the deciding showdown with Inasaku and Phil has begun to determine who really gets to call himself the strongest in the parlor.
The game started with Kiriya controlling the table, but against Phil's counterattack he seems to have no answer.

THE RATES IN THIS CLUB ARE 5000 YEN PER 1000 POINTS, S-10 UMA, EAST-ONLY

THE TRICK IS ALWAYS STOPPING IN THE MIDDLE OF TEARING OFF A TOENAIL WITH THE PLIERS

YOUR TOENAILS WILL BE STANDING VERTICALLY LIKE THAT UNTIL THE MORNING ♡
SKILLFULLY MAKING BLOOD BLISTERS LIKE THESE IS MY SPECIALTY

PHIL'S TAKING LONG
HEY, KIRIYA-SAN

YOU GUYS ARE JUST A STEP LADDER
I'M PLAYING MAHJONG TO SELL MY NAME
WHO SAID I'M PLAYING FOR SOME SMALL CHANGE HERE?

THEN TONIGHT'S WONDERFUL DINING TABLE WON'T BE EXCLUSIVE TO JUST TWO ANIMALS
THE GUY WHO LOSES YOUR SHOWDOWN DISAPPEARS FROM THIS PARLOR, RIGHT?
